## **Andreas Ludwig becomes Managing Partner DLE Logistics GmbH**

---

*With the launch of the DLE Logistics Fund and DLE Logistics GmbH on October 1, DLE Group AG has met the growing demand for land, particularly due to the unabated rise in e-commerce, and is building on Germany's leading role in European industrial production. The appointment of Andreas Ludwig as Managing Partner DLE Logistic is an excellent reinforcement of this claim.*

Andreas Ludwig has many years of experience in various national and international management positions in the real estate industry. He has been responsible for real estate portfolios and transactions worth several billion Euros.

Commenting on his new position at DLE, Ludwig said: "I am looking forward to this exciting new task and would like to use my experience and network to contribute to the successful development of DLE Logistics GmbH. Considering Value Add Logistics and Light Industrial segments, I see good opportunities for acquiring interesting properties and portfolios with attractive returns."

Before joining DLE, Andreas Ludwig served as a member of the management board and Head of Transaction and Investment Management at Assetando Real Estate GmbH as well as Managing Director at HCI Capital AG, among others.

DLE co-founder and CTO Dr. Simon Kempf explained with regards to the personnel structure of the newly created logistics division: "With Andreas Ludwig and Dr. Kilian Mahler, who has also been supporting us as Managing Partner at DLE Logistics GmbH since October 1, we will meet the changed requirements in the real estate sector. In particular, the increasing demand for e-commerce and the shift from production sites to the consumer is of increasing importance in the real estate industry. For the benefit of our investors and those who want to become investors, we were able to recruit an experienced and excellently networked expert in Andreas Ludwig."

DLE Group AG is a platform for Sustainable Asset Management and a specialist in large-scale land and neighborhood development based in Berlin. DLE's mission is to rapidly realize projects on developed sites. Its offering includes funds that invest in real estate for sustainable and senior living, logistics, and commerce.
